

# Surfachem

Dear Sir or Madam,

Surfachem Limited appointed Lee Curran on behalf of A1 Chemical Waste Management in June 2011 to manage our various waste production which includes miscellaneous hazardous materials.

We were more than satisfied with the whole management process and would have no problem in recommending this company to any of our associated companies.

We would have no problem with re-employing A1 Chemical Waste Management Limited services for future waste disposal requirements.

Mr Alan Brunning
